Total			4,269.199

Stakeholder consultation is one of the most important parts in certification process; during which relevant national, regional as well as local stakeholders are asked to give their views and opinions as to whether the applicant’s certification units comply with the requirements of the MSPO’s requirements.

We invite all stakeholders to take part in this consultation process as you can make a positive contribution to the certification decision. We invite you to raise any issues, both positive and negative, by sending a written response by mail, fax or by e-mail to our Global Gateway Certifications Sdn Bhd .

For your guidance, you may consider the following points:

- Environmental protection.
- Biodiversity conservation.
- Opportunities for employment.
- Provision of housing, sanitation, amenities and educational support.
- Company approach to community development.
- Participation in decision making.
- Any other issue, both positive and negative that you consider may be of relevance to the assessment.
